The Kindle Paperwhite and Nexus Tablet are convenient, portable reading devices. They are a little bigger than a paperback and capable of holding many books. Users can look up the meaning of words, highlight passages of text, and make notes anywhere in the text. Users are able to search the table of contents and use the “Find” tool to locate particular words or phrases in the text. Text size, font color, and brightness can also be adjusted. Kindles and Nexus Tablets can increase the accessibility and usability of information and literature for users. The chance to use this device is a privilege that we are able to provide to our students provided that the students use extra caution and responsibility. Each Kindle is valued at $200.00 and each Nexus Tablet is valued at $275.00. For this reason, we require a parent/guardian and student signature before a Kindle or tablet can be checked out to a student.

This Acceptable Use Form is valid for the remainder of the 2015-2016 school year.
